“ I am so sorry to hear about this. I have know Carolyn for about 25 years. We use to talk from time to time about birds. I have birds and even care for hers while she was recovering from her ankle. We were not the kind of friends who would talk daily or even weekly, but she was someone I knew I could count on. I called her the other day to talk because it had been a while. And heard her phones had been disconnected then I researched it and found her obituary. It's been months and I guess no one will read my post. But I do love Carolyn. And will think of her from time to time

“ I was saddened to hear of Carolyn's passing. We were friends for over 50 years. We met when I started working at the phone company in Orlando. We were there for each other through the good, and the bad. But we mostly laughed and had a good time. My dear friend you can never be replaced, but you will always be remembered.
