

George Leo Field

February 17, 1933 - February 10, 2022

George L. Field, 88, of Longwood, passed away on Thursday, February 10, 2022. He was born in Concord, MA to the late Clyde Libby and Agatha (Parmenter) Field. George honorably served his country in the U.S. Navy and retired after 20 plus years. He was also a proud member of the VFW and the American Legion. In his younger years, George was an active sportsman and excelled at everything he participated in. A true fan of baseball, he always rooted for his favorite team, the Tampa Bay Rays. In his leisure time and vacations, he enjoyed trips traveling around the United States in the family's Bounder motor home and spending time outdoors playing croquet and badminton. He loved to do puzzles, dance and listen to the great music of Frank Sinatra and Dean Martin. George was also a master craftsman when it came to building desks, bars, cabinets and small boats – no kits, just his creative mind. He was ahead of the times with computers when they first came out and was a computer expert until he passed away.

George is survived by his children: Bob, Donna, Tina and Michele; his 10 grandchildren and great grandchildren. In addition to his parents, he was predeceased by his beloved wife, Evelyn and his daughter, Beverly. We will always remember his wise words of always treating people the way we would want to be treated. He was a wonderful man and we will miss him dearly. In lieu of flowers, please consider making a donation in George's name to: VFW 4864, North Citrus Springs Blvd, Citrus Springs, FL 34434

“ I am Alan Field, his second son born in 1958. Even though they divorced when I was 9, with no further contact - I have a few very good memories with dad. When he was back on leave, it seemed to my memory, he spent lots of time with me and my older brother Jord. We went fishing, spent time around trained military shepard dogs learning how to handle dogs in general - without fear. Also lots of woodworking projects for our home and on I could go... The navy yard trips to tour his ship is still a happy and vivid memory. I consider him to have been a great father under difficult circumstances: post war cleanup travels overseas and a tough marriage. I expect to see him again 'in heaven;.

“ *Memories of Grandpa??? Well, there are too many. Some that come to mind are miniature wooden boats on his workbench and the lake behind the house in Apopka. Getting him creme sodas in the family room, playing croquet on Sundays after church and family meal, his lawnmower that I found so exciting because it was like a little car, his love and devotion for Grammy and his kids and grandkids, his particular accent that I eventually found out that it was from Boston, his affection for my dad, I loved him so much that I didn't mind being called "Little Jose", his RVs, taking us weekly to see Grams and Gramps and aunt Margie. WOW. What can I say about George Leo Field? As simply and plainly that he was my dear Grandpa and we shared many birthdays together as fellow Aquarians blowing out our birthday candles. And many, many, many, many more. I'll always love you Grandpa and you'll always be in my thoughts. Bendición 🙏*

The one who taught us to reach for the moon.*
