“ Momma, there was never a day that I did not think of you, there will never be a day that I will not think of you. You will always be in my heart and my thoughts, even though you may be gone from earth you will always be by my side. My wish for you is to live free of pain and sorrow and know that we all love you and will miss you everyday until we meet again. Please save me a seat at the card table. Love you Momma:(
