“ *Ms. Mable was a wonderful highly respected Guardian ad Litem Volunteer in Putnam County. She gave many years of service advocating for many children in the dependency system. We here and the Guardian ad Litem Office are so saddened to hear about her passing. She will be greatly missed. I personally loved when she stopped by the office to just talk and would help her in any way I could. I will miss her so much but she is looking down on us and praying that we continue to advocate for the children the GAL represents. I will miss you Ms. Mable.*
