“ *My beautiful Titi Maria, I have so many memories of you that it's
hard to pick just one. From our family get togethers growing up or
my final trip to the island with you when I was 12 along with so
many more in between. I will cherish those memories forever. You
were strong, graceful and elegant and you always carried yourself
with dignity and class. I wanted to be just like you. I learned so
much from you and I carry those things close to me everyday.
I love you always. Rest In Peace Titi.*

*Love,
Karim*

“ *I remember going to your house almost every day, and cooking and relaxing in your bed and we'd just sit and talk about you growing up with your mami and papi. I remember sitting in the bathroom watching you do your hair, and how it was always so perfect. I miss spending the night, and going to eat with you. I miss everything about you. 😞 I love you Titi Maria and I'll see you again sometime soon. Guide me to success!! I miss you beautiful, rest easy. ❤️*
