“ *The night before my marriage to the beautiful Mary Teresa the New England contingent threw a huge celebration/party in the halls of their motel. When I showed up to end my lonely isolation at home a few blocks away, a great time was had. While visiting the rooms of my new family, Aunt Mary gave me a huge hug, looked deep into my eyes, smiled and said “if you ever hurt her you will really be sorry”. She was laughing..And I loved her immediately.*
