“ I am so sorry for your loss. I have sweet memories of Aunt Ginnie and Uncle Ray coming to visit us in Maine or us getting to visit them in their RV. Aunt Ginnie's smile and laughter would light up the room. You are in my thoughts and prayers. ❤️ Leigh Anne

“ AIOH Aunt Ginny. I will always remember you getting me to eat spinach like Popeye the sailor so that I can get strong or eating grass. Lol. Especially when I told my mom what you had me try and she was so confused. I will always remember going to your house before and after school then the great times we had at Plantation campground.

Love you Aunt Ginny

“ We love you Ginny, Ray, Cathy and Cindy. John and I are so saddened by your and our loss; but we know that Ginny is in God's hands and that we should be celebrating her homecoming! We have so many cherished memories of times spent with Ginny and your family. My favorite is the story that Ginny shared about your camping trip West. You made a quick laundry stop in a small town and went on your way. Many miles later when you settled in for the night you discovered that you inadvertently stole some fat guy's laundry!! I still laugh out loud when I think about her sharing this story! Know that you all are so loved and that there is no other family anywhere that could have taken better care of their Wife/Mother than you all did for Ginny. We wish that we could be there at her memorial service with you to celebrate her life! Sending much love and hugs! John and Mary Hickey and daughter Lauren Sakers
